- Sub:- Deployment of utility in UMID Portal for registration of ex-gratia, Postal and Treasury pensioners-
- Ref:-1. PCPO/SCR's letter no. SCR/P-HQ/522/Misc/UMID dated 25.10.2021.
2. WR's letter no. PEN.PORTAL/E789/CORR-II/EXGRATIA-DATA/1 dated 10.11.2021.
3. RAILTEL's letter no. Railtel /SR /UMID /1 dated 18.11.2021.

Please connect WR's letter ibid seeking Board's assistance in the matter of deployment of utility in UMID Portal for registration of ex-gratia, Postal and Treasury pensioners. In this connection, Railtel authorities, vide letter at reference(2) ibid, have also emphasized that numbering pattern adopted for the PPOs issued in ARPAN Portal (viz 14 digit number) should be adopted for the PPOs issued to these pensioners also so that the same can be mapped in the UMID portal for their registration. Accordingly, the matter was taken up with SCR and it has now been confirmed that necessary utility has been deployed by them in the UMID Portal.

You are, therefore, requested to identify all PPOs bearing serial numbers inconsistent with the ARPAN numbering pattern and provide separate 14 digit PPO reference number against all such PPOs to facilitate their mapping and registration in UMID portal. It may also be ensured that the original serial numbers of such PPOs are retained in the database for future reference.

A line of confirmation in this regard may be sent to Board at the earliest.
